Add To User Guide

Our website allows you to quickly add items to various shopping tools from search results, your “My Account” portal, and other areas around the site.

The screen below is typical of what you see in a search result and illustrates how to use the “Add To” functions that are available.

When you see the dropdown illustrated below in bullets (1), (2), and (3), it means you have the ability to add that item to either a “Favorites List” (see our user guide on Favorites), and “Order Template” (see our user guide on Order Templates), or to a “Wish List” (see our user guide on Wish Lists).

Search Results

The screenshot displays a search results page. At the top, there is a search bar with a magnifying glass icon and the text "Searching for [redacted]". To the right of the search bar, it says "Viewing Page 1 of 2 (20 results)". Below the search bar, there are navigation icons (a hamburger menu and a grid icon) and sorting options: "Sort By: Best Match" and "View: 12".

The main product area includes a "Compare" checkbox, a product image placeholder (a blue square), and product details: "Item #: [redacted]", "Brand: [redacted]", and a description area with a redacted title and a purple bar. A "More Info" link is visible below the description.

On the right side, there is a price section showing "\$18.42 /EA" in red, with "MSRP: \$18.42" below it. A quantity selector is labeled "QTY:" with a dropdown arrow. Below the quantity selector are two buttons: a green "Add to Cart" button and a blue "Add to Quote" button.

At the bottom right, a dropdown menu is open, showing three options: "Add To Favorites" (with a green plus icon), "Add To Order Template", and "Add To Wish List". Each option is numbered with a red circle: 1 for "Add To Favorites", 2 for "Add To Order Template", and 3 for "Add To Wish List". A mouse cursor is pointing at the "Add To Favorites" option.
